What have you been doing to help our community?

How many people you do you see using reusable water bottles?

Aspen's mission:

Rosenwald's Aspen team's goal is to cut single use plastic waste around our community in order to help climate change.

One major goal we had was to cut plastic waste by 60-65% around or school and end of the Aspen Challenge, 9 weeks, the students and staff at Rosenwald Collegiate Academy will cut plastic waste by 60-65%.
